

# Feng Shui for Romance

Saturday, September 18th • 10:30am - 12:30pm • \$20

*"If we don't change the direction we're going, we're likely to end up where we are headed"*  
- Ancient Chinese proverb

For all of the single gals who have written their intention letters with hope of drawing in a soul mate with no results, or for anyone currently in a relationship that is yearning for a compassionate and lasting love, this seminar is for you. Cheryl Grace, Feng Shui expert, will teach a seminar on how the wisdom of Feng Shui combined with making strategic changes in your environment can draw in and keep your divine partner. Bring a notebook and a floor plan of your home.

Relationships are mirrors of either qualities or beliefs that we have. Like energy attracts like energy. Cheryl will explore the yin and yang of relationships, core qualities both people should have to attract a loving connection, the essentials of building relationships, and Feng Shui enhancements for your home and workplace

*Cheryl Grace is a professional Feng Shui practitioner, on the faculty of Ringling College of Art and Design, and a member of the National Speakers Bureau for the Western School of Feng Shui.
